## REPLY TO NOTICE OF DRAWING INCONSISTENCY WITH SPECIFICATION

This is in reply to the "Notice of Drawing Inconsistency with Specification" mailed by the Office on August 6, 2004.

In the Notice of Drawing Inconsistency with Specification, the Office indicated that Figure 11 is listed in the brief description of the drawings in the specification but not contained in the drawings. Applicant's review of the drawing indicates that Figure 11 was included in the drawings as originally filed on the same sheet of drawings as Figures 7-10. However, the figure number for Figure 11 was omitted from the drawing sheet. Accordingly, the drawing sheet has been amended to add the label "FIG. 11" under the fifth figure shown on the drawing sheet which includes Figures 7-11. A copy of the amended drawing sheet is enclosed.

It is submitted that the enclosed drawing sheet corrects the inconsistency noted in the Office communication, and accordingly the application is now in good standing.

If anything further is required, please contact David Greer at (416) 865-3503.

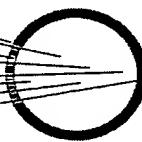

Respectfully submitted,
